Project 4 - Static Web Site Design

Meeting time: Tues Sept 26, 5:30-7:00 pm

We have decided to improve Jim Davis' page. We will split the information into separate pages. We have created the sitemap using a tree of the pages and their content.

Team Manager Roles:

Overall: Ethan Chung
Implementation: Kaushik Jegath
Documentation: Liam McDonald
Testing: James Fitzgerald
Meeting: Lucky Katneni

Site Map Tree (Diagram at end of doc.)

- Jim Davis Website:
    - Home/About:
        - Professor's photo
        - Professor's contact information
        - Announcements (he is on sabbatical, **make this BIG**)
        - Introduction
            - Research
            - Teaching
            - Service
        - Education
    - Professional History
        - Appointments
        - Consulting
    - Media and Press
        - TV/Video
        - Radio
        - Print
    - Noteworthy Achievements
    - Academic History
        - Publications
        - Teaching

Functionality

(2 points) Determine **detailed** functionality and allocation of work for your **first sprint**. See [Sprints](#).

- Liam:
- Find out how to reach Dr. Davis
- Check for any announcements
- Learn about the types of work Dr. Davis does
-
- Kaushik:
- Learn how to get involved with Undergraduate Research
- Learn about Dr. Davis's Ohio State roles
- Read about the companies Dr. Davis has consulted for
-
- Lucky:
- Find out what TV/Video appearances Dr. Davis has made
- Find out what Radio show appearances Dr. Davis has made
- Download MP3s to listen to radio show appearances
-
- James:
- Learn about the awards Dr. Davis has received
- Hear about Dr. Davis's leadership experience
- Public appearances from Dr. Davis
- Timeline of Dr. Davis's achievements
-
- Ethan:
- Learn about the publications Dr. Davis has been involved with
- Download Dr. Davis's publications
- Learn about the courses Dr. Davis has taught
- Read about the courses Dr. Davis has instructed

Allocation of Work

Each team member will do html & css for his page

Liam - Home & About Page
James - Noteworthy Achievements page
Kaushik - Professional History
Ethan - Academic History
Lucky - Media & Press

Submission: The *overall* project manager will submit to the provided Carmen drop box the following items into a single PDF document

```
                          ┌──────────────┐
                          │  Jim Davis's │
